Eligible employers can register for Wellness Track when they apply for a Business Express plan from the Health Connector.

Email connector-wellnesstrack@state.ma.us or call the Wellness Track hotline at 617-933-3049 for more information.

Please note: the subsidy requires the participation 33% of enrollees. Those participants must complete a health questionnaire and a standard encounter form to confirm a physician visit. Employers must report changes made to the work environment to promote a healthier workplace. These requirements and step-by-step instructions are explained in detail on the website.
